This rulemaking by the Structural Pest Control Board adopts section 1960 in Title 16 of the California Code of Regulations regarding licensee fingerprint requirements for the purpose of criminal history record checks. In 2004, Business and Professions Code section 144 became effective, which required licensure applicants to submit fingerprints. However, some licensees who were licensed prior to July 1, 2004, may not have submitted fingerprints. This rulemaking will fully implement B&P Code section 144 by requiring all licensees who have not submitted fingerprints to do so as a condition of license renewal.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 2/29/2016.
