14 **1469 Butte House Rd., Ste. F**
Yuba City, CA 95993
15 **Field Representative License No. FR 31193**
16 Respondent.

Case No. 2014-2

ACCUSATION

18 Susan Saylor ("Complainant") alleges:

19 **PARTIES**

20 1. Complainant brings this Accusation solely in her official capacity as the Interim
21 Registrar/Executive Officer of the Structural Pest Control Board ("Board"), Department of
22 Consumer Affairs.

23 2. On or about July 31, 1999, the Board issued Field Representative License Number FR
24 31193 to Reyes Gonzalez, Jr. ("Respondent"). The license was in full force and effect at all times
25 relevant to the charges brought herein and will expire on June 30, 2014, unless renewed.

26 **JURISDICTION**

27 3. Business and Professions Code ("Code") section 8620 provides, in pertinent part, that
28 the Board may suspend or revoke a license when it finds that the holder, while a licensee or

1 applicant, has committed any acts or omissions constituting cause for disciplinary action or in lieu
2 of a suspension may assess a civil penalty.

3 4. Code section 8625 states:

4 The lapsing or suspension of a license or company registration by operation of
5 law or by order or decision of the board or a court of law, or the voluntary surrender
6 of a license or company registration shall not deprive the board of jurisdiction to
7 proceed with any investigation of or action or disciplinary proceeding against such
licensee or company, or to render a decision suspending or revoking such license or
registration.

8 STATUTORY AND REGULATORY PROVISIONS

9 5. Code section 8593 states:

10 The board shall require as a condition to the renewal of each operator's and
11 field representative's license that the holder submit proof satisfactory to the board that
12 he or she has informed himself or herself of developments in the field of pest control
either by completion of courses of continuing education in pest control approved by
the board or equivalent activity approved by the board.

13 In lieu of submitting that proof, the licenseholder, if he or she so desires, may
14 take and successfully complete an examination given by the board, designed to test
his or her knowledge of developments in the field of pest control since the issuance of
his or her license.

15 The board shall develop a correspondence course or courses with any
16 educational institution or institutions as it deems appropriate. This course may be
used to fulfill the requirements of this section. The institution may charge a
reasonable fee for each course.

17 The board may charge a fee for the taking of an examination in each branch
18 of pest control pursuant to this section in an amount sufficient to cover the cost of
19 administering each examination, provided, however, that in no event shall the fee
exceed fifty dollars (\$50) for each examination.

20 6. Code section 8641 states:

21 Failure to comply with the provisions of this chapter, or any rule or regulation
22 adopted by the board, or the furnishing of a report of inspection without the making of a
23 bona fide inspection of the premises for wood-destroying pests or organisms, or furnishing
24 a notice of work completed prior to the completion of the work specified in the contract, is
a ground for disciplinary action.

25 7. California Code of Regulations, title 16, section 1950 states, in pertinent part:

26 (a) Except as provided in section 1951, every licensee is required, as a
27 condition to renewal of a license, to certify that he or she has completed the
28 continuing education requirements set forth in this article. A licensee who cannot
verify completion of continuing education by producing certificates of activity

1 completion, whenever requested to do so by the Board, may be subject to disciplinary
2 action under section 8641 of the code.

3 (b) Each licensee is required to gain a certain number of continuing education
4 hours during the three year renewal period. The number of hours required depends
5 on the number of branches of pest control in which licenses are held. The subject
6 matter covered by each activity shall be designated as "technical" or "general" by the
7 Board when the activity is approved. Hour values shall be assigned by the Board to
8 each approved educational activity, in accordance with the provisions of section
9 1950.5.

10

11 (d) Field representatives licensed in one branch of pest control shall have
12 completed 16 continuing education hours, field representatives licensed in two
13 branches of pest control shall have completed 20 continuing education hours, field
14 representatives licensed in three branches of pest control shall have completed 24
15 continuing education hours, during each three year renewal period. In each case, a
16 minimum of four continuing education hours in a technical subject directly related to
17 each branch of pest control held by the licensee must be completed for each branch of
18 pest control licensed, a minimum of two hours in Integrated Pest Management must
19 be completed by Branch 2 and/or 3 licensees renewing on or after June 30, 2010, and
20 a minimum of eight hours must be completed from Board approved courses on the
21 Structural Pest Control Act, the Rules and Regulations, or structural pest control
22 related agencies' rules and regulations.

23 COST RECOVERY

24 8. Code section 125.3 provides, in pertinent part, that the Registrar may request the
25 administrative law judge to direct a licentiate found to have committed a violation or violations of
26 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
27 enforcement of the case.

28 BACKGROUND INFORMATION
