4. Code section 8620 provides, in pertinent part, that the Board may suspend or revoke a license when it finds that the holder, while a licensee or applicant, has committed any acts or omissions constituting cause for disciplinary action or in lieu of a suspension may assess a civil penalty.

5. Code section 8624 states:

"If the board suspends or revokes an operator's license and one or more branch offices are registered under the name of the operator, the suspension or revocation may be applied to each branch office."

6. Code section 8625 states:

The lapsing or suspension of a license or company registration by operation of law or by order or decision of the board or a court of law, or the voluntary surrender of a license or company registration shall not deprive the board of jurisdiction to proceed with any investigation of or action or disciplinary proceeding against such licensee or company, or to render a decision suspending or revoking such license or registration.

7. Code section 8654 states:

Any individual who has been denied a license for any of the reasons specified in Section 8568, or who has had his or her license revoked, or whose license is under suspension, or who has failed to renew his or her license while it was under suspension, or who has been a member, officer, director, associate, qualifying manager, or responsible managing employee of any partnership, corporation, firm, or association whose application for a company registration has been denied for any of the reasons specified in Section 8568, or whose company registration has been revoked as a result of disciplinary action, or whose company registration is under suspension, and while acting as such member, officer, director, associate, qualifying manager, or responsible managing employee had knowledge of or participated in any of the prohibited acts for which the license or registration was denied, suspended or revoked, shall be prohibited from serving as an officer, director, associate, partner, qualifying manager, or responsible managing employee of a registered company, and the employment, election or association of such person by a registered company is a ground for disciplinary action.

6 continuing education in pest control approved by the board or equivalent
7 activity approved by the board.

17 Except as provided in section 1951, every licensee is required, as a
18 condition to a renewal of a license, to certify that he or she has completed the
19 continuing education requirements set forth in this article. A licensee who
20 cannot verify completion of continuing education by producing certificates of
21 activity completion, whenever required to do so by the Board, may be subject to

23 **COST RECOVERY**

24 12. Code section 125.3 states, in pertinent part, that a Board may request the

26 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
27 enforcement of the case.

28 **FIRST CAUSE FOR DISCIPLINE**

(Documentation of Continuing Education Requirements)

13. Respondent's license is subject to disciplinary action pursuant to Code sections 8620,
8593, and 8641, in that Respondent failed to comply with Regulation section 1950, subdivision
(a), by failing to provide the Board with verifiable documentation to demonstrate that he

1 completed 16 hours of continuing education requirements for the renewal period of July 1, 2005,
2 through June 30, 2008, as stated in his License Renewal Application, signed under penalty of
3 perjury and dated August 12, 2008.

4 **SECOND CAUSE FOR DISCIPLINE**
