"The lapsing or suspension of a license or company registration by operation of law or by order or decision of the board or a court of law, or the voluntary surrender of a license or company registration shall not deprive the board of jurisdiction to proceed with any investigation of or action or disciplinary proceeding against such licensee or company, or to render a decision suspending or revoking such license or registration."

8. Code section 118, subdivision (b), provides, in pertinent part, that the

2 and clear of active infestations and infections in visibly accessible areas.

3 19. On October 3, 2007, escrow closed on the property.

10 of fungus damage or dryrot in garage, decks and eaves; and evidence of earth to wood contact in
11 the deck. Advantage recommended fumigating the house, garage, and/or decks for the
12 elimination of drywood termites. Advantage further recommended employing a licensed
13 contractor to remove and replace damage or call for an estimate, and breaking contact between
14 the wood members of the deck and the soil.

15 21. On or about January 30, 2008, the Board received a complaint from the
16 property owner, Lily Liu, alleging that Respondents failed to kill the termites and fix the damage.

17 22. On February 21, 2008, respondents were given notice of the complaint and

22 and to submit a corrected inspection report and notice of work completed and not completed to
23 the Board within thirty (30) calendar days from receipt of the notice.

24 24. Between on or about May 5, 2008 and July 16, 2008, Respondents tried to
25 bring the property into compliance with the Report of Findings by completing work on the
26 property.

27 25. On July 16, 2008, a specialist from the Board reinspected the property at
28 the request of the property owner Liu, and found that Respondents had failed to bring the

1 property into the compliance with the Report of Findings. On July 24, 2008, the specialist
2 notified Respondents that not all the work had been done.

3 26. On or about August 21, 2008, Respondents informed the Board specialist
4 that an engineer and a permit was required for the work on the deck. Respondents did not retain
5 an engineer or obtain a permit for the work on the deck.
