18 the Board may suspend or revoke a license when it finds that the holder, while a licensee or  
19 applicant, has committed any acts or omissions constituting cause for disciplinary action or in lieu  
20 of a suspension may assess a civil penalty.

21 8. Code section 8624 states:

22 If the board suspends or revokes an operator's license and one or more branch offices  
23 are registered under the name of the operator, the suspension or revocation may be applied  
24 to each branch office.

25 If the operator is the qualifying manager, a partner, responsible officer, or owner of a  
26 registered structural pest control company, the suspension or revocation may be applied to  
27 the company registration.

28 The performance by any partnership, corporation, firm, association, or registered  
company of any act or omission constituting a cause for disciplinary action, likewise  
constitutes a cause for disciplinary action against any licensee who, at the time the act or

omission occurred, was the qualifying manager, a partner, responsible officer, or owner of the partnership, corporation, firm, association, or registered company whether or not he or she had knowledge of, or participated in, the prohibited act or omission.

9. Code section 8625 states:

The lapsing or suspension of a license or company registration by operation of law or by order or decision of the board or a court of law, or the voluntary surrender of a license or company registration shall not deprive the board of jurisdiction to proceed with any investigation of or action or disciplinary proceeding against such licensee or company, or to render a decision suspending or revoking such license or registration.

10. Code section 8622 states:

When a complaint is accepted for investigation of a registered company, the board, through an authorized representative, may inspect any or all properties on which a report has been issued pursuant to Section 8516 or a notice of completion has been issued pursuant to Section 8518 by the registered company to determine compliance with the provisions of this chapter and the rules and regulations issued thereunder. If the board determines the property or properties are not in compliance, a notice shall be sent to the registered company so stating. The registered company shall have 30 days from the receipt of the notice to bring such property into compliance, and it shall submit a new original report or completion notice or both and an inspection fee of not more than one hundred twenty-five dollars (\$125) for each property inspected. If a subsequent reinspection is necessary, pursuant to the board's review of the new original report or notice or both, a commensurate reinspection fee shall also be charged. If the board's authorized representative makes no determination or determines the property is in compliance, no inspection fee shall be charged.

The notice sent to the registered company shall inform the registered company that if it desires a hearing to contest the finding of noncompliance, the hearing shall be requested by written notice to the board within 20 days of receipt of the notice of noncompliance from the board. Where a hearing is not requested pursuant to this section, payment of any assessment shall not constitute an admission of any noncompliance charged.

11. Code section 8654 states:

Any individual who has been denied a license for any of the reasons specified in Section 8568, or who has had his or her license revoked, or whose license is under suspension, or who has failed to renew his or her license while it was under suspension, or who has been a member, officer, director, associate, qualifying manager, or responsible managing employee of any partnership, corporation, firm, or association whose application for a company registration has been denied for any of the reasons specified in Section 8568, or whose company registration has been revoked as a result of disciplinary action, or whose company registration is under suspension, and while acting as such member, officer, director, associate, qualifying manager, or responsible managing employee had knowledge of or participated in any of the prohibited acts for which the license or registration was denied, suspended or revoked, shall be prohibited from serving as an officer, director, associate, partner, qualifying manager, or responsible managing employee of a registered company, and

1 the employment, election or association of such person by a registered company is a  
2 ground for disciplinary action.

### 3 STATUTORY PROVISIONS

4 12. Code section 8516 states, in pertinent part:

5 (b) No registered company or licensee shall commence work on a contract, or  
6 sign, issue, or deliver any documents expressing an opinion or statement relating to  
7 the absence or presence of wood destroying pests or organisms until an inspection has  
8 been made by a licensed Branch 3 field representative or operator. The address of  
9 each property inspected or upon which work is completed shall be reported on a form  
10 prescribed by the board and shall be filed with the board no later than 10 business  
11 days after the commencement of an inspection or upon completed work.

12 13. Code section 8641 states:

13 Failure to comply with the provisions of this chapter, or any rule or  
14 regulation adopted by the board, or the furnishing of a report of inspection without  
15 the making of a bona fide inspection of the premises for wood-destroying pests or  
16 organisms, or furnishing a notice of work completed prior to the completion of the  
17 work specified in the contract, is a ground for disciplinary action.

18 14. Code section 8639 states:

19 Aiding or abetting an unlicensed individual or unregistered company to  
20 evade the provisions of this chapter or knowingly combining or conspiring with an  
21 unlicensed individual or unregistered company, or allowing one's license or company  
22 registration to be used by an unlicensed individual or unregistered company, or acting  
23 as agent or partner or associate, or otherwise, of an unlicensed individual or  
24 unregistered company to evade the provisions of this chapter is a ground for  
25 disciplinary action.

23 administrative law judge to direct a licensee found to have committed a violation or violations of  
24 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and

### 26 BACKGROUND INFORMATION

27 17. On or about August 10, 2010, a Board representative received information from Jim  
28 Mitchell ("Mitchell"), a Deputy Agricultural Commissioner/Sealer with the San Bernardino

1 County Agricultural Department, regarding a fumigation site inspection that he conducted at 634  
2 and 636 North Pico Avenue, San Bernardino, California ("incident address"). Mitchell explained  
3 that Master Fume, Inc., a Branch 1 registered company, performed a fumigation for drywood  
4 termites at the incident address. However, Respondent Bug Stop, a Branch 2 registered company,  
5 was identified on the fumigation log as the prime contractor. Upon further investigation by a  
6 Board representative, it was discovered that Respondent Bug Stop was performing Branch 3 work  
7 without a valid registration to do so, and commencing work on a contract without having an  
8 inspection performed by a Branch 3 field representative or operator. Furthermore, it was  
9 discovered that Master Fume, Inc., was aiding or abetting Respondent Bug Stop regarding the  
10 performance of Branch 3 work.

11 **FIRST CAUSE FOR DISCIPLINE**

12 **(Aiding and Abetting)**

13 18. Respondent Master Fume, Inc.'s registration, Respondent Santillan's operator  
14 license, and Respondent Rodriguez's field representative license are subject to discipline under  
15 Code section 8639, in that Respondents aided or abetted Bug Stop Services, Inc., an unregistered  
16 Branch 3 company, to evade the provisions of the Structural Pest Control Act, as set forth above  
17 in paragraph 17.

18 **SECOND CAUSE FOR DISCIPLINE**

19 **(Failure to Comply with Record Requirements)**

20 19. Respondent Master Fume, Inc.'s registration, Respondent Santillan's operator  
21 license, and Respondent Rodriguez's field representative license are subject to discipline under  
22 Code section 8641, in that Respondents failed to comply with California Code of Regulations,  
23 title 16, section 1970(a), by failing to compile a proper fume log. The fume logs for the work  
24 performed at the incident address failed to contain the name and address of the property owner or  
25 his or her agent, a proper property description, and the first and/or surname of the crew when the  
26 fumigant was released, when ventilation commenced, and when the property was released for  
27 occupancy.

14 employs, elects, or associates him, shall be subject to disciplinary action.

15 28. Pursuant to Code section 8624, if Company Registration Certificate Number PR  
16 5604, issued to Master Fume, Inc., is suspended or revoked, the Board may suspend or revoke  
17 Field Representative's License Number FR 44131 and Applicator License Number RA 50058,  
18 issued to Michael Rodriguez.

19 29. Pursuant to Code section 8654, if discipline is imposed on Company Registration

21 prohibited from serving as an officer, director, associate, partner, qualifying manager, or  
22 responsible managing employee of a registered company, and the employment, election or
