9 **JURISDICTION**

10 4. This Accusation is brought before the Structural Pest Control Board (Board),  
11 Department of Consumer Affairs, under the authority of the following laws. All section  
12 references are to the Business and Professions Code (Code) unless otherwise indicated.

13 5. Section 8620 of the Code provides, in pertinent part, that the Board may suspend or  
14 revoke a license when it finds that the holder, while a licensee or applicant, has committed any  
15 acts or omissions constituting cause for disciplinary action or in lieu of a suspension may assess a  
16 civil penalty.

17 6. Section 8625 of the Code states:

18 The lapsing or suspension of a license or company registration by operation of  
19 law or by order or decision of the board or a court of law, or the voluntary surrender  
20 of a license or company registration shall not deprive the board of jurisdiction to  
21 proceed with any investigation of or action or disciplinary proceeding against such  
22 licensee or company, or to render a decision suspending or revoking such license or  
23 registration.

22 **STATUTORY PROVISIONS**

23 7. Section 482 of the Code states:

24 Each board under the provisions of this code shall develop criteria to evaluate  
25 the rehabilitation of a person when:

- 26 (a) Considering the denial of a license by the board under Section 480; or  
27 (b) Considering suspension or revocation of a license under Section 490.

28 Each board shall take into account all competent evidence of rehabilitation  
furnished by the applicant or licensee.

1           8.     Section 490 of the Code provides, in pertinent part, that a board may suspend or  
2 revoke a license on the ground that the licensee has been convicted of a crime substantially  
3 related to the qualifications, functions, or duties of the business or profession for which the  
4 license was issued.

5           9.     Section 493 of the Code states:

6                 Notwithstanding any other provision of law, in a proceeding conducted by a  
7 board within the department pursuant to law to deny an application for a license or to  
8 suspend or revoke a license or otherwise take disciplinary action against a person who  
9 holds a license, upon the ground that the applicant or the licensee has been convicted  
10 of a crime substantially related to the qualifications, functions, and duties of the  
11 licensee in question, the record of conviction of the crime shall be conclusive  
12 evidence of the fact that the conviction occurred, but only of that fact, and the board  
13 may inquire into the circumstances surrounding the commission of the crime in order  
14 to fix the degree of discipline or to determine if the conviction is substantially related  
15 to the qualifications, functions, and duties of the licensee in question.

16                 As used in this section, "license" includes "certificate," "permit," "authority,"  
17 and "registration."

18           10.    Section 8624 of the Code states:

19                 If the board suspends or revokes an operator's license and one or more branch  
20 offices are registered under the name of the operator, the suspension or revocation  
21 may be applied to each branch office.

22                 If the operator is the qualifying manager, a partner, responsible officer, or  
23 owner of a registered structural pest control company, the suspension or revocation  
24 may be applied to the company registration.

25                 The performance by any partnership, corporation, firm, association, or  
26 registered company of any act or omission constituting a cause for disciplinary action,  
27 likewise constitutes a cause for disciplinary action against any licensee who, at the  
28 time the act or omission occurred, was the qualifying manager, a partner, responsible  
officer, or owner of the partnership, corporation, firm, association, or registered  
company whether or not he or she had knowledge of, or participated in, the prohibited  
act or omission.

          11.    Section 8649 of the Code states:

               Conviction of a crime substantially related to the qualifications, functions, and  
duties of a structural pest control operator, field representative, applicator, or  
registered company is a ground for disciplinary action. The certified record of  
conviction shall be conclusive evidence thereof.

          12.    Section 8654 of the Code states:

               Any individual who has been denied a license for any of the reasons specified  
in Section 8568, or who has had his or her license revoked, or whose license is under  
suspension, or who has failed to renew his or her license while it was under

1 suspension, or who has been a member, officer, director, associate, qualifying  
2 manager, or responsible managing employee of any partnership, corporation, firm, or  
3 association whose application for a company registration has been denied for any of  
4 the reasons specified in Section 8568, or whose company registration has been  
5 revoked as a result of disciplinary action, or whose company registration is under  
6 suspension, and while acting as such member, officer, director, associate, qualifying  
7 manager, or responsible managing employee had knowledge of or participated in any  
8 of the prohibited acts for which the license or registration was denied, suspended or  
9 revoked, shall be prohibited from serving as an officer, director, associate, partner,  
10 qualifying manager, or responsible managing employee of a registered company, and  
11 the employment, election or association of such person by a registered company is a  
12 ground for disciplinary action.

13 13. Section 8655 of the Code states:

14 A plea or verdict of guilty or a conviction following a plea of nolo contendere  
15 made to a charge substantially related to the qualifications, functions, and duties of a  
16 structural pest control operator, field representative, applicator, or registered company  
17 is deemed to be a conviction within the meaning of this article or Section 8568 of this  
18 chapter. The board may order the license or registration suspended or revoked, or  
19 may decline to issue a license, when the time for appeal has elapsed, or the judgment  
20 of conviction has been affirmed on appeal or when an order granting probation is  
21 made suspending the imposition of sentence, irrespective of a subsequent order under  
22 the provisions of Section 1203.4 of the Penal Code allowing the individual or  
23 registered company to withdraw a plea of guilty and to enter a plea of not guilty, or  
24 setting aside the verdict of guilty, or dismissing the accusation, information or  
25 indictment.

17 administrative law judge to direct a licentiate found to have committed a violation or violations of  
18 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
19 enforcement of the case, with failure of the licentiate to comply subjecting the license to not being  
20 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be  
21 included in a stipulated settlement.

### 22 **CAUSE FOR DISCIPLINE**

23 **(November 8, 2012 Criminal Conviction for Possession of Controlled Substances**

24 **While Armed on October 24, 2012)**

25 17. Respondent has subjected his Operator's License and Registration Certificate to  
26 disciplinary action under sections 490 and 8649 of the Code in that he was convicted of a crime  
27 that is substantially related to the qualifications, functions, and duties of a licensee. The  
28 circumstances are as follows:

1           a.       On or about November 8, 2012, in a criminal proceeding entitled *People of*  
2 *the State of California v. Mark Steven Paterson*, in Riverside County Superior Court, case number  
3 BLF1200278, Respondent was convicted on his plea of guilty of violating Health and Safety  
4 Code section 11370.1, possession of a controlled substance while armed, a felony. As a result of  
5 a plea agreement, the court dismissed additional felony counts of violating Health and Safety  
6 Code section 11379, subdivision (a), import/sale/distribution of a controlled substance, and  
7 Health and Safety Code section 11550, subdivision (e), under the influence of a controlled  
8 substance while armed.

9           b.       As a result of the conviction, on or about November 8, 2012, Respondent  
10 was committed to the custody of the sheriff for 90 days, and granted formal probation for 36  
11 months. Respondent was further ordered to abstain from the use and possession of controlled  
12 substances, refrain from associating with known controlled substance users/possessors or those on  
13 probation or parole, submit to chemical testing, submit to a Fourth Amendment waiver, register as  
14 a drug offender, complete a drug treatment program, pay fines, fees, and restitution, and comply  
15 with felony probation terms.

16           c.       The facts that led to the conviction are that on or about the afternoon of  
17 October 24, 2012, during a routine patrol, a Blythe Police Department officer observed a vehicle,  
18 driven by Respondent, with an expired registration. After conducting a traffic stop, the officer  
19 made contact with Respondent and learned that his driver's license was suspended for not having  
20 mandatory liability insurance. After Respondent exited his vehicle, the officer observed blood on  
21 Respondent's arm. Respondent reached into his back pocket and attempted to conceal something  
22 in his fist. After several attempts, the officer was able to get Respondent to release the contents  
23 of his fist, which was a piece of plastic containing methamphetamine. Respondent was arrested.  
24 During a search of Respondent's vehicle, officers located a loaded .45 caliber pistol, with one  
25 round in the chamber in a black bag behind the passenger seat. There was also a magazine loaded  
26 with .22 caliber rounds in the backseat, and additional rounds in the front center console.  
27 Respondent provided a blood sample during booking which subsequently tested positive for  
28 amphetamines.
