JURISDICTION

- 4. This Accusation is brought before the Structural Pest Control Board ("Board"), Department of Pesticide Regulation, under the authority of the following laws. All section references are to the Business and Professions Code ("Code") unless otherwise indicated.
- 5. Section 118, subdivision (b), of the Code provides that the suspension, expiration, surrender or cancellation of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.
- 6. Section 8620 of the Code provides, in pertinent part, that the Board may suspend or revoke a license when it finds that the holder, while a licensee or applicant, has committed any acts or omissions constituting cause for disciplinary action or in lieu of a suspension may assess a civil penalty.

STATUTORY PROVISIONS

7. Section 482 of the Code states:

Each board under the provisions of this code shall develop criteria to evaluate the rehabilitation of a person when:

- (a) Considering the denial of a license by the board under Section 480; or
- (b) Considering suspension or revocation of a license under Section 490.

Each board shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee.

related to the qualifications, functions, or duties of the business or profession for which the license was issued.

9. Section 493 of the Code states:

Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board

may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

As used in this section, "license" includes "certificate," "permit," "authority," and "registration."

10. Section 8624 of the Code states:

If the board suspends or revokes an operator's license and one or more branch offices are registered under the name of the operator, the suspension or revocation may be applied to each branch office.

If the operator is the qualifying manager, a partner, responsible officer, or owner of a registered structural pest control company, the suspension or revocation may be applied to the company registration.

The performance by any partnership, corporation, firm, association, or registered company of any act or omission constituting a cause for disciplinary action, likewise constitutes a cause for disciplinary action against any licensee who, at the time the act or omission occurred, was the qualifying manager, a partner, responsible officer, or owner of the partnership, corporation, firm, association, or registered company whether or not he or she had knowledge of, or participated in, the prohibited act or omission.

11. Section 8649 of the Code states:

Conviction of a crime substantially related to the qualifications, functions, and duties of a structural pest control operator, field representative, applicator, or registered company is a ground for disciplinary action. The certified record of conviction shall be conclusive evidence thereof.
