 - C. Budget
 - D. Regulation Update
- VII. Approval of minutes of the January 21 and March 24, 2010, Board meetings
- VIII. Approval of the recommendations of the Board (having met as a subcommittee) to update its Strategic Plan
- IX. Department of Pesticide Regulation Update

- X. Consideration of request to amend California Code of Regulations section 1991 to require placement of subsection (a) (8) (C) (3) disclosure with the corresponding recommendation(s) on the Inspection Report
- XI. Discussion and consideration of the Technical Advisory Committee recommendations:
 - A. Insulation - use of pesticidal insulation is allowed within the scope of the structural pest control license and CSLB should be consulted regarding the parameters of insulation installation regarding new construction
 - B. Test holes - test holes be allowed during the original inspection if no additional fees are added to the cost of the original inspection
 - C. Monitoring stations - all statutes and regulations pertaining to yearly control service agreements apply to the placement of in-ground monitoring devices regardless of whether the devices are placed free of charge
- XII. Request from Pest Control Operators of California that the Structural Pest Control Board take a more aggressive stance on enforcement of violations of Business and Professions Code section 8653 – failure of a registered company to pay monies due for materials and services
- XIII. Consideration of proposal to repeal Structural Pest Control Board Procedure L-6 as duplicative of recent amendments to California Code of Regulations section 1950.1
- XIV. Consideration of proposed amendment of California Code of Regulations section 1920 to repeal criteria for assessing maximum fine amounts
- XV. Consideration of recommendation to amend California Code of Regulations section 1970.5 requiring on-site attendance of an operator or field representative at specified times
- XVI. Future agenda items
- XVII. Board meeting calendar
- XVIII. Review of Board actions taken at meeting
- XIX. Public comments on items not on the agenda
- XX. Adjournment

Attendance at this meeting is approved for two (2) hours of continuing education

Action may be taken on any item on the agenda. Members of the public may receive up to three minutes to present comments. If you are presenting information to the Board, please provide 13 copies of your testimony for the Board Members and staff. Copying equipment is not available at the meeting location.

The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting the Structural Pest Control Board at (916) 561-8700 or email pestboard@dca.ca.gov or send a written request to the Structural Pest Control Board, 2005 Evergreen Street, Suite 1500, Sacramento, CA 95815. Providing your request at least five (5) business days before the meeting will help to ensure availability of the requested accommodation.

This agenda can be found on the Structural Pest Control Board's Website at www.pestboard.ca.gov
